Blue: you around?
me: yep
Blue: I'm trying to set up a sub forum on whyweprotest for creating and archiving anon propaganda across all the initiatives going at the moment
Blue: 1) would you help spread the word once it's done
Blue: 2) we need some help coming up with a name that's not "propaganda committee :)
me: sure thing
me: also, I'm officially "leaving" Anonymous in order to get out of the limelight for a while and avoid the drama/faggotry
me: reviving Project PM
me: to oversee Metal Gear
Blue: leaving leaving or "leaving" posting everything under a different alias
me: basically leaving in real sense insomuch as that I've got a team of Anons and others who want to be able to concentrate on research, media warfare, etc
me: not going to be using any Anon venues
me: mostly, I want to be able to take initiative and lead my team without incessant attacks from the majority of Anons who get upset by the sort of thing
me: need quality control
me: plus I'm trying to encourage others to start similar groups
Blue: okay
